

ROSE LABORATORIES

ESTD · AYURVEDIC PHARMACEUTICALS

Comprehensive Product Catalogue

The complete range of Ayurvedic proprietary & classical formulations

Rose Laboratories manufactures a comprehensive portfolio of Ayurvedic proprietary (patent) medicines and classical formulations across syrups, capsules, oils, churnas, bhasmas and topicals — produced under WHO-GMP conditions with verifiable quality certifications.

WHO-GMP · ISO 9001:2015 · ZED Bronze · UDYAM Registered

Master Digital Copy · Issued 13 July 2026

ABOUT THIS CATALOGUE

A Portfolio Built on Trust & Efficacy

This master catalogue presents the full Rose Laboratories product range organised into four categories: proprietary (patent) OTC medicines, proprietary institutional medicines, classical OTC formulations, and classical institutional formulations. Each entry lists the standard pack sizes and the clinical indications the formulation is designed to support.

For pricing, minimum order quantities, private-label options and institutional supply, please contact our commercial team at roselaboratories1983@gmail.com.

PROPRIETARY THERAPEUTICS

Patent Drugs — OTC

#	Product	Packaging	Clinical Indication / Use Case
1	ROSE GYNOSOL Syrup	225 ml / 450 ml	Indicated for corporate gynecological therapeutics including secondary amenorrhea, dysmenorrhea, dysfunctional uterine bleeding (DUB), and leukorrhea.
2	ROSE GYNOSOL Capsule	30 Caps	Indicated for secondary amenorrhea, dysmenorrhea, dysfunctional uterine bleeding (DUB), and leukorrhea.
3	RUBINA Syrup	100 ml / 180 ml / 450 ml	Advanced blood purifier and skin tonic. Indicated for persistent acne, pimples, boils, ringworm, and systemic detoxification. Helps balance lipid profiles and lower cholesterol levels.
4	RUBINA Capsule	30 Caps/ 60 Caps	Advanced blood purifier and skin tonic. Indicated for persistent acne, pimples, boils, ringworm, and systemic detoxification. Helps balance lipid profiles and lower cholesterol levels.
5	ROSITONE S. Syrup	200 ml	Comprehensive neuro-tonic formulated to enhance cognitive memory, improve cardiac health, regulate sleep patterns, alleviate palpitations, and manage borderline systemic blood pressure.
6	ROSITONE S. Capsule	30 Caps	Comprehensive neuro-tonic formulated to enhance cognitive memory, improve cardiac health, regulate sleep patterns, alleviate palpitations, and manage borderline systemic blood pressure.
7	STRENGTH FORT Capsule	30 Caps/ 60 Caps	Premium restorative formulation for metabolic strength and vitality in men and women. Increases absolute physical endurance, supports gut microbiome health, and aids in managing menopausal transitions.
8	PD 0.90 Drops	15 ml/ 60 ml/ 100 ml	Fast-acting pediatric and adult gastrointestinal drops. Indicated for Irritable Bowel Syndrome (IBS), acute dyspepsia, flatulence, hyperacidity, heartburn, nausea, and minor upper respiratory tract congestion (cough and cold).
9	PIDANA Oil	60 ml / 100 ml	Highly penetrative topical analgesic for profound muscular pain, skeletal arthralgia, joint inflammation, cephalalgia (headache), and localized neuralgias.
10	HAVEN Hair Lotion	225 ml	Intensive trichological solution designed to halt premature alopecia (hair fall), eliminate stubborn dandruff, remediate dry/rough shafts, and stimulate robust follicular hair regrowth.

#	Product	Packaging	Clinical Indication / Use Case
11	HAVEN Body Massage Oil	110 ml / 225 ml	Advanced dermatological cell-rejuvenating oil. Reduces hyperpigmentation, smooths fine wrinkles, enhances natural skin glow, and promotes restorative deep sleep patterns.
12	FOREST ROSE Baby Massage Oil	60 ml / 110 ml / 225 ml	Pure, hypoallergenic pediatric formulation. Clinically balanced to accelerate cognitive development, strengthen musculoskeletal integrity, and build resilient defenses against pediatric skin infections.
13	LIVROSE Syrup	100 ml / 180 ml	Hepatic stimulant and hepatoprotective tonic. Indicated for chronic liver and spleen disorders, sluggish liver function, localized flatulence, and systemic digestive optimization.
14	LIVROSE Capsule	30 Caps/ 60 Caps	Hepatic stimulant and hepatoprotective tonic. Indicated for chronic liver and spleen disorders, sluggish liver function, localized flatulence, and systemic digestive optimization.
15	LIVROSE Drops	60 ml	Pediatric hepatic stimulant and hepatoprotective formulation. Indicated for neonatal and pediatric jaundice symptoms, sluggish liver function, and sluggish digestion.
16	ZYMOL Syrup	100 ml / 180 ml	Advanced carminative enzyme formulation. Instantly remediates functional indigestion, acute flatulence, meteorism, and gastric hyperacidity.
17	ZYMOL Capsule	30 Caps / 60 Caps	Advanced carminative enzyme formulation. Instantly remediates functional indigestion, acute flatulence, meteorism, and gastric hyperacidity.
18	RAHAT Cough Syrup	60 ml / 100 ml	Fast-acting, non-drowsy herbal expectorant. Remediates acute spasmodic coughs, pertussis (whooping cough), chronic bronchitis, and dry irritating cough profiles.
19	AMLA MULETHI Oil	50 ml / 100 ml	Soothing topical formulation for scalp nourishment, hair conditioning, and calming thermal properties.
20	AYURPROVIT Drops	60 ml	Concentrated pediatric nutritional supplement. Fortified with essential herbal bio-enhancers to boost metabolic immunity and safe systemic development.
21	AYURZYME Oil	100 ml	Specialized oil formulated for improving digestive system, flatulence and recover from dropsy
22	AYURZYME Capsule	30 Caps/ 60 Caps/ 100 Caps	Potent carminative and digestive enzyme formulation designed to eliminate chronic dyspepsia and restore normal nutrient absorption.
23	BADSHAHI CHYAWANPRASH	500 gm / 1 kg	Premium, gold-and-silver enriched immunomodulator paste. Preserves respiratory pathways, builds deep tissue integrity, and prevents seasonal infections.
24	BAZI RASAYAN Churna	60 gm / 100 gm	Potent Ayurvedic revitalizer and adaptogen designed to eliminate stress-induced weakness, enhance cellular stamina, and optimize physical vigor.
25	BAZI RASAYAN Capsule	30 Caps	Potent Ayurvedic revitalizer and adaptogen designed to eliminate stress-induced weakness, enhance cellular stamina, and optimize physical vigor.
26	BAZIGRAH Capsule	30 Caps	High-potency formulation targeting corporate lifestyle exhaustion, low stamina, and male/female metabolic reproductive vitality.
27	BIVAI Ointment	15 gm	Broad-spectrum antiseptic and soothing dermal cream for superficial cuts, grazes, minor burns, and infected dermatoses.

#	Product	Packaging	Clinical Indication / Use Case
28	BERNOVIT Ointment	15 gm	Advanced burn repair ointment with tissue-regenerating properties. Alleviates pain and prevents scarring from secondary thermal injuries.
29	CALROSE Syrup	100 ml/ 200 ml	Bio-available natural calcium supplement derived from premium marine resources. Accelerates osteogenesis, strengthens bone mineral density, and bridges nutritional deficits.
30	DADNA Ointment	15 gm	High-potency fungicidal topical formulation specifically targeting stubborn tinea infections, ringworm, eczema, and localized pruritus.
31	DADNA Powder	50 gm	Absorbent, cooling antifungal dusting powder designed to eliminate excessive perspiration, prevent dermatomycoses, and stop skin chafing.
32	FEBNO Capsule	30 Caps	Herbal antipyretic and analgesic. Optimizes corporate immune response during viral fevers, malaria, and general systemic infectious profiles.
33	FERFOSLIM Liquid	200 ml / 450 ml	Specialized natural formulation designed to correct corporate lipid metabolic disorders, assist in healthy weight management, and tone digestion.
34	FEROSE Syrup	200 ml	Highly bio-available organic iron tonic. Promotes rapid hematopoiesis (blood generation), elevates hemoglobin counts, and eradicates chronic fatigue syndrome.
35	HARITAKI Powder	100 gm	Standardized single-herb mild laxative and colon cleanser. Enhances natural gut motility, neutralizes hyperacidity, and assists in systemic detoxification.
36	HAVEN Antiseptic Lotion	60 ml/ 100 ml / 200 ml/ 450 ml	Medical-grade herbal antiseptic solution for thorough wound irrigation, post-minor surgical sanitization, and broad-spectrum antimicrobial skin protection.
37	KHANSARI Syrup	100 ml	Traditional demulcent cough syrup formulated to soothe highly inflamed pharyngeal passages and clear sticky bronchial mucous.
38	KARAN BINDU Ear Drops	10 ml	Therapeutic ear drops with potent antimicrobial and anti-inflammatory properties to address otalgia (earache), tinnitus, and minor ear canal congestion.
39	KRIMIX Liquid	60 ml	Broad-spectrum natural anthelmintic formulation for safe, thorough intestinal deworming in pediatric and adult profiles.
40	LUCOSOL Syrup	225 ml	Advanced uterine tonic explicitly targeting chronic leucorrhea, non-specific vaginal discharge, and associated pelvic backache.
41	LUCOSOL Capsule	30 Caps	Advanced uterine capsule explicitly targeting chronic leucorrhea, non-specific vaginal discharge, and associated pelvic backache.
42	LUCELIYA Syrup	200 ml	Nutritional and hormonal balancing syrup formulated for young female adults to regularize irregular menstrual cycles and boost energy.
43	MOTISE DANT MANJAN	60 gm / 100 gm	Premium non-abrasive herbal toothpowder. Strengthens periodontal tissue (gums), eliminates halitosis (bad breath), prevents dental caries, and tightens loose teeth.
44	PIDANA Balm	10 gm / 25 gm / 50 gm	Hyperthermic counter-irritant balm for immediate relief from acute spasmodic neck pain, shoulder stiffness, and tension headaches.
45	PILYANA Capsule	30 Caps	Targeted hepatobiliary formulation designed to remediate obstructive jaundice, fatty liver degeneration, and acute loss of appetite.

#	Product	Packaging	Clinical Indication / Use Case
46	PILYANA Ointment	15 gm	Soothing topical cream designed to accelerate healing in external anal fissures, painful hemorrhoidal masses, and perianal itching.

PROPRIETARY THERAPEUTICS

Patent Drugs — Institutional

#	Product	Packaging	Clinical Indication / Use Case
1	ROSE Ointment	15 gm	Multi-purpose cell-regenerating skin barrier ointment for chronic non-healing ulcers, cracked heels, and extreme dry skin conditions.
2	ROSIPLEX Syrup	200 ml	High-potency herbal B-complex alternative. Combats mouth ulcers, tongue inflammation, chronic lethargy, and neural nutritional deficiencies.
3	YAKRITONE Syrup	100 ml / 200 ml	Elite-tier premium Liver Tonic. Rejuvenates compromised hepatocytes, neutralizes toxic damage from long-term medication use, and normalizes metabolic digestion.
4	YAKRITONE Drops	60 ml	Pediatric liver and appetite stimulant. Ensures healthy weight gain and clears localized metabolic disturbances in infants.

TRADITIONAL FORMULATIONS

Classical Medicines — OTC

#	Product	Packaging	Clinical Indication / Use Case
1	ASHWAGANDHA Capsule	30 Caps / 60 Caps	Potent adaptogen and neuroprotective agent. Clinically proven to reduce corporate anxiety, enhance long-term memory retention, mitigate systemic inflammation, increase absolute muscle strength, and significantly elevate immune parameters.
2	ASHWAGANDHA Churna	60 gm / 90 gm	Traditional standardized powder of Withania somnifera. Used as a systemic rejuvenator, muscle tonic, and highly effective sleep regulator.
3	SATAVARI Churna	60 gm / 90 gm	Premium single-herb nutritional support for female reproductive health and endocrinal balance. Acts as a potent antioxidant, immunomodulator, and aids in regulating blood glucose thresholds.
4	ARJUNA Churna	60 gm / 90 gm	Cardio-protective bark powder of Terminalia arjuna. Strengthens myocardial muscles, exhibits powerful anti-inflammatory, antioxidant, and antimicrobial properties, and supports optimal vascular tone.
5	SHILAJIT Resin	10 gm / 20 gm	Ultra-pure, purified mineral exudate. Acts as a premier cellular rejuvenator ('Rasayana'), core antioxidant, mitochondrial energy enhancer, and performance vitalizer.
6	TRIPHALA Churna	90 gm / 200 gm / 500 gm / 1 kg	Synergistic tri-herbal formulation for master digestive rejuvenation. Promotes deep physiological detoxification, accelerates colon cleansing, supports ocular health, and assists in blood sugar homeostasis.
7	TRIPHALA Syrup	450 ml	Palatable liquid formulation of classic Triphala. Ensures smooth gastrointestinal motility, relieves chronic constipation, and neutralizes hyperacidity.

#	Product	Packaging	Clinical Indication / Use Case
8	ISABGOL Husk	90 gm	Premium mechanical dietary fiber. Indicated for regularizing physiological bowel habits, treating spastic chronic constipation, absorbing colon toxins, and supporting long-term cardiovascular health.
9	SITOPALADI Churna	50 gm / 90 gm	Classic Ayurvedic immunomodulatory and anti-inflammatory powder for respiratory health. Quickly resolves productive coughs, congestion, allergic rhinitis, and low-grade intermitting fevers.
10	HINGVASTAK Churna	50 gm / 90 gm	Traditional carminative powder targeting severe abdominal flatulence, intestinal colic, and functional dyspepsia. Enhances 'Agni' (the core digestive fire) for rapid assimilation.
11	LAVAN BHASKAR Churna	50 gm / 90 gm	Highly celebrated therapeutic saline powder for gastric distress. Resolves clinical bloating, chronic loss of appetite, intestinal gas stagnation, and minor acid reflux.
12	CHYAWANPRASH AVALEHA	500 gm / 1 kg	Time-tested poly-herbal biological shield. Rich in Vitamin C, optimizes absolute pulmonary capacity, reverses tissue aging, and stabilizes core immunity.
13	BALKUTJAWALEHA	250 gm	Specialized therapeutic herbal paste designed to resolve persistent chronic diarrhea, bacillary dysentery, and malabsorption syndromes.
14	SOBHAGYA SUNTHI Paka	250 gm / 500 gm	Traditional post-natal restorative formulation. Strengthens uterine walls, cleanses reproductive tracts, improves lactation quality, and prevents postpartum joint pain.
15	BILVADI Churna	50 gm / 100 gm	Astringent gastrointestinal formulation. Indicated for amoebic dysentery, recurring loose motions, mucous-laden stools, and irritable bowel flare-ups.
16	JATIFALADI Churna	50 gm / 90 gm	Calming gastrointestinal and nervous system formulation. Indicated for sprue, chronic diarrhea, persistent insomnia, and severe abdominal cramping.
17	MARKANDEYA Churna	50 gm / 100 gm	Traditional poly-herbal compound used for blood purification, treating systemic skin diseases, and regularizing metabolic liver parameters.
18	ASHOKARISHTA	450 ml	Premier fermented liquid uterine tonic. Regulates painful or heavy menstrual cycles, mitigates pelvic congestion, and preserves female reproductive vitality.
19	DASHMOOLARISHTA	450 ml	Fermented ten-root health restorer. Combats fatigue, eliminates structural joint pain, improves nervous system health, and acts as an excellent post-partum recovery tonic.
20	MAHA NARAYAN Tel	50 ml / 100 ml / 200 ml	Elite-tier classical medicated oil. Profoundly restores joint mobility, lubricates arthritic cartilage, and eliminates structural stiffness and sciatic neuralgias.
21	MAHA MASH Tel	50 ml / 100 ml	High-density neurological massage oil. Indicated for localized paralysis, facial palsy, muscular dystrophy, and acute localized body tremors.
22	BHRINGRAJ Tel	100 ml / 200 ml	Premier trichological oil. Deeply cools the cerebral cortex, promotes deep REM sleep, halts advanced hair loss, and arrests premature hair greying.
23	SHANKHPUSHPI Tel	100 ml	Soothing pediatric and adult neuro-massage oil. Calms hyperactivity, sharpens mental focus, and optimizes nervous system developmental health.

#	Product	Packaging	Clinical Indication / Use Case
24	DASHMOOL Tel	100 ml	Anti-inflammatory and warming medicated oil. Formulated to clear localized fluid retention, relieve muscular spasms, and alleviate severe lower backaches.
25	BETSOLIN Capsule	10 cap/30 cap/60 cap/100 cap	Immunity modulator. Clinically indicated for Irritable Bowel Syndrome (IBS), Gastrointestinal Disorders (GID), and Urinary Tract Infections (UTI). Provides excellent results in hemorrhoids (piles), leukorrhea, and internal/external inflammatory conditions.
26	ASMAGO Liquid	100 ml / 200 ml	Bronchodilator and respiratory tonic formulated to alleviate bronchial asthma, chronic dyspnea, and recurring pulmonary allergies.
27	BA-HA Syrup	200 ml	Rejuvenating systemic tonic for overall vitality, strength, and accelerated recovery from chronic post-viral debility.
28	HERBO STATE Capsule	30 Caps	Premium organic wellness and vitality booster formulated to manage day-to-day work stress and physical depletion.

TRADITIONAL FORMULATIONS

Classical Medicines — Institutional

#	Product	Packaging	Clinical Indication / Use Case
1	MAKARDHWAJ Vati	10 Tab / 20 Tab	High-potency mineralo-herbal rejuvenator and cardiac stimulant. Combats age-related tissue decay, restores nervous energy, and boosts acute immune resilience.
2	CHANDRAPRABHA Vati	40 Tab / 80 Tab	Master urinary tract cleanser and metabolic regularizer. Indicated for localized painful micturition, frequent urination, lower back pain, and prostate size stabilization.
3	KASIS BHASMA	10 gm	Purified iron-sulfate formulation. Highly potent hematinic agent indicated for rapid iron-deficiency anemia correction and resolving splenomegaly.
4	ASHWAGANDHA Capsule	30 Caps / 60 Caps	Potent adaptogen and neuroprotective agent. Clinically proven to reduce corporate anxiety, enhance long-term memory retention, mitigate systemic inflammation, increase absolute muscle strength, and significantly elevate immune parameters.
