B2B / OEM CAPABILITY

Contract & private-label manufacturing.

Rose Laboratories offers third-party and private-label (contract) manufacturing for brands, distributors and institutions — backed by four decades of Ayurvedic manufacturing experience and certified quality systems.

Why partner with Rose Laboratories

- **Certified quality:** WHO-GMP compliant, ISO 9001:2015 certified, ZED Bronze certified operations.
- **Broad dosage capability:** syrups, tonics, capsules, tablets, churna, arishta/asava, oils and ointments.
- **Classical & proprietary:** both traditional pharmacopoeia preparations and in-house proprietary therapeutics.
- **Documentation:** batch records, quality controls and compliance documentation for procurement teams.
- **Established since 1983:** a stable, long-term manufacturing partner, not a transactional supplier.

Partnership models

Distributor / Stockist	Regional distribution of the Rose Laboratories range across retail and OTC channels.
Franchise	Territory-based franchise partnerships with brand and supply support.
Private Label	Your brand, our manufacturing — full contract manufacturing of Ayurvedic formulations.
Institutional Supply	Bulk supply to hospitals, clinics and healthcare institutions.

Indicative onboarding process

- **Step 1.** Enquiry & requirement sharing (product, volumes, target markets).
- **Step 2.** Feasibility, formulation and commercial discussion.
- **Step 3.** Documentation, sampling and agreement.
- **Step 4.** Production, quality release and dispatch.
