TRADITIONAL FORMULATIONS

Classical Ayurvedic Formulations

Our classical range is prepared true to Ayurvedic pharmacopoeia — Churna, Bhasma, Arishta/Asava, medicated oils and other traditional preparations, manufactured batch after batch under certified quality systems.

Traditional Formulations — Classical Medicines — OTC

Formulation	Packaging	Indication / Notes
ASHWAGANDHA Capsule	30 Caps / 60 Caps	Potent adaptogen and neuroprotective agent. Clinically proven to reduce corporate anxiety, enhance long-term memory retention, mitigate systemic inflammation, increase absolute muscle strength, and significantly elevate immune parameters.
ASHWAGANDHA Churna	60 gm / 90 gm	Traditional standardized powder of Withania somnifera. Used as a systemic rejuvenator, muscle tonic, and highly effective sleep regulator.
SATAVARI Churna	60 gm / 90 gm	Premium single-herb nutritional support for female reproductive health and endocrinal balance. Acts as a potent antioxidant, immunomodulator, and aids in regulating blood glucose thresholds.
ARJUNA Churna	60 gm / 90 gm	Cardio-protective bark powder of Terminalia arjuna. Strengthens myocardial muscles, exhibits powerful anti-inflammatory, antioxidant, and antimicrobial properties, and supports optimal vascular tone.
SHILAJIT Resin	10 gm / 20 gm	Ultra-pure, purified mineral exudate. Acts as a premier cellular rejuvenator ('Rasayana'), core antioxidant, mitochondrial energy enhancer, and performance vitalizer.
TRIPHALA Churna	90 gm / 200 gm / 500 gm / 1 kg	Synergistic tri-herbal formulation for master digestive rejuvenation. Promotes deep physiological detoxification, accelerates colon cleansing, supports ocular health, and assists in blood sugar homeostasis.
TRIPHALA Syrup	450 ml	Palatable liquid formulation of classic Triphala. Ensures smooth gastrointestinal motility, relieves chronic constipation, and neutralizes hyperacidity.
ISABGOL Husk	90 gm	Premium mechanical dietary fiber. Indicated for regularizing physiological bowel habits, treating spastic chronic constipation, absorbing colon toxins, and supporting long-term cardiovascular health.
SITOPALADI Churna	50 gm / 90 gm	Classic Ayurvedic immunomodulatory and anti-inflammatory powder for respiratory health. Quickly resolves productive coughs, congestion, allergic rhinitis, and low-grade intermitting fevers.
HINGVASTAK Churna	50 gm / 90 gm	Traditional carminative powder targeting severe abdominal flatulence, intestinal colic, and functional dyspepsia. Enhances 'Agni' (the core digestive fire) for rapid assimilation.

Formulation	Packaging	Indication / Notes
LAVAN BHASKAR Churna	50 gm / 90 gm	Highly celebrated therapeutic saline powder for gastric distress. Resolves clinical bloating, chronic loss of appetite, intestinal gas stagnation, and minor acid reflux.
CHYAWANPRASH AVALEHA	500 gm / 1 kg	Time-tested poly-herbal biological shield. Rich in Vitamin C, optimizes absolute pulmonary capacity, reverses tissue aging, and stabilizes core immunity.
BALKUTJAWALEHA	250 gm	Specialized therapeutic herbal paste designed to resolve persistent chronic diarrhea, bacillary dysentery, and malabsorption syndromes.
SOBHAGYA SUNTHI Paka	250 gm / 500 gm	Traditional post-natal restorative formulation. Strengthens uterine walls, cleanses reproductive tracts, improves lactation quality, and prevents postpartum joint pain.
BILVADI Churna	50 gm / 100 gm	Astringent gastrointestinal formulation. Indicated for amoebic dysentery, recurring loose motions, mucous-laden stools, and irritable bowel flare-ups.
JATIFALADI Churna	50 gm / 90 gm	Calming gastrointestinal and nervous system formulation. Indicated for sprue, chronic diarrhea, persistent insomnia, and severe abdominal cramping.
MARKANDEYA Churna	50 gm / 100 gm	Traditional poly-herbal compound used for blood purification, treating systemic skin diseases, and regularizing metabolic liver parameters.
ASHOKARISHTA	450 ml	Premier fermented liquid uterine tonic. Regulates painful or heavy menstrual cycles, mitigates pelvic congestion, and preserves female reproductive vitality.
DASHMOOLARISHTA	450 ml	Fermented ten-root health restorer. Combats fatigue, eliminates structural joint pain, improves nervous system health, and acts as an excellent post-partum recovery tonic.
MAHA NARAYAN Tel	50 ml / 100 ml / 200 ml	Elite-tier classical medicated oil. Profoundly restores joint mobility, lubricates arthritic cartilage, and eliminates structural stiffness and sciatic neuralgias.
MAHA MASH Tel	50 ml / 100 ml	High-density neurological massage oil. Indicated for localized paralysis, facial palsy, muscular dystrophy, and acute localized body tremors.
BHRINGRAJ Tel	100 ml / 200 ml	Premier trichological oil. Deeply cools the cerebral cortex, promotes deep REM sleep, halts advanced hair loss, and arrests premature hair greying.
SHANKHPUSHPI Tel	100 ml	Soothing pediatric and adult neuro-massage oil. Calms hyperactivity, sharpens mental focus, and optimizes nervous system developmental health.

Formulation	Packaging	Indication / Notes
DASHMOOL Tel	100 ml	Anti-inflammatory and warming medicated oil. Formulated to clear localized fluid retention, relieve muscular spasms, and alleviate severe lower backaches.

Traditional Formulations — Classical Medicines — Institutional Only

Formulation	Packaging	Indication / Notes
MAKARDHWAJ Vati	10 Tab / 20 Tab	High-potency mineralo-herbal rejuvenator and cardiac stimulant. Combats age-related tissue decay, restores nervous energy, and boosts acute immune resilience.
CHANDRAPRABHA Vati	40 Tab / 80 Tab	Master urinary tract cleanser and metabolic regularizer. Indicated for localized painful micturition, frequent urination, lower back pain, and prostate size stabilization.
KASIS BHASMA	10 gm	Purified iron-sulfate formulation. Highly potent hematinic agent indicated for rapid iron-deficiency anemia correction and resolving splenomegaly.
TRIVANGA BHASMA	5 gm	Advanced metallic preparation for the genitourinary system. Indicated for persistent diabetes-induced weakness, nocturnal emissions, and chronic leucorrhea.
MANDOOR BHASMA	10 gm	Calcined iron ore formulation. Premier therapeutic choice for hemolytic jaundice, severe anemia, liver congestion, and localized edematous conditions.
MUKTA SHUKTI BHASMA	5 gm	Purified mother-of-pearl preparation. Unmatched natural antacid and calcium source for treating severe peptic ulcers, acid gastritis, and bone weakness.
LOH BHASMA	5 gm / 10 gm	Therapeutically calcined pure iron. Enhances cellular oxygenation, eliminates profound physical weakness, and optimizes functional liver-spleen output.
SPHATIKA BHASMA	10 gm	Purified alum formulation. Highly valued for its potent styptic, systemic hemostatic (stops bleeding), and external antimicrobial properties.
SWARNA MAKSHIK BHASMA	5 gm	Calcined copper-iron pyrite. Highly bio-available tonic for correcting nutritional iron deficits, nervous exhaustion, and chronic skin conditions.
SWARNA BHASMA	100 mg / 500 mg	Ultra-premium, chemically inert calcined nano-gold. Supreme cell regenerator, deep nerve vitalizer, and highly potent biological immunomodulator for advanced therapeutic recovery.
ABHRAK BHASMA	2.5 gm / 5 gm	Calcined biotite mica. Indicated for chronic debilitating respiratory disorders, structural nervous system decay, and long-term cellular anti-aging therapy.

Formulation	Packaging	Indication / Notes
KSHAR SUTRA	1 Box (Standard)	Medicated surgical thread coated with specific alkaline plant ashes. Used in standard specialized surgical clinics for the minimal-invasive eradication of complex anal fistulas and hemorrhoids.
SOBHAGYA SUNTHI Ras	10 gm	Potent mineral-infused adaptation of Sunthi. Specially indicated for correcting deep gastric imbalances, chronic malabsorption, and severe rheumatoid arthralgia.
SHUDDHA GUGGULU	30 Caps / 60 gm	Purified oleo-gum resin of Commiphora mukul. Acts as a premier systemic anti-inflammatory, joint pain protector, and powerful lipid/cholesterol optimizer.
LAKSHADI GUGGULU	40 Tab / 80 Tab	Targeted Guggulu compound fortified for skeletal repairs. Significantly accelerates bone fracture union, mends torn ligaments, and reduces localized bone swelling.

All formulations are manufactured under WHO-GMP compliant, ISO 9001:2015 certified processes. Packaging and pricing are indicative and subject to revision. Institutional-only formulations are supplied to hospitals, clinics and qualified healthcare institutions.
